## GARANZIA

---

Il periodo di garanzia dei prodotti UDOR è di 12 (dodici) mesi dalla data di spedizione.

La garanzia è limitata alla sostituzione delle parti o dei prodotti che, ad insindacabile giudizio di UDOR, sono ritenuti difettosi fin dal momento della spedizione.

Le spese di manodopera e trasporto rimangono a carico dell'acquirente. Il prodotto deve essere reso a UDOR solamente dietro autorizzazione della stessa, franco magazzino UDOR, e deve essere completo di ogni suo componente originale e non manomesso. I prodotti o componenti sostituiti divengono di proprietà di UDOR.

La garanzia di un prodotto decade se non vengono rispettati i termini di pagamento dello stesso da parte dell'acquirente.

Sono esclusi dalla garanzia i seguenti danni:

- Danni diretti ed indiretti di qualsiasi natura.
- Danni derivanti dalla mancata osservanza delle norme di sicurezza.
- Danni ai prodotti derivanti da: scorretto utilizzo, caduta, scorretta installazione, esposizione al gelo, mancata manutenzione, trascuratezza e negligenza nell'uso.
- Danni ai componenti soggetti a normale usura.
- Danni ai prodotti in caso di utilizzo di pezzi non originali o non espressamente approvati da UDOR.

UDOR si riserva il diritto di apportare, in qualsiasi momento, le modifiche ritenute migliorative per il prodotto, senza essere obbligata ad applicare tali modifiche ai prodotti già venduti o in corso di spedizione.

La presente garanzia è l'unica valida e sostituisce ogni e qualsiasi altra garanzia o condizione.

Per qualsiasi controversia sarà competente la legge italiana presso il foro di Reggio Emilia.

## WARRANTY

---

*UDOR guarantees its products for 12 (twelve) months from the date of shipment.*

*Warranty covers the replacement of parts or products which, to the sole and undisputable judgement of UDOR, are considered to be defective from the date of shipment. Expenses for labour and transport are to the charge of the buyer. The product shall only be returned to UDOR following authorisation from the latter, free of charge to the warehouse of UDOR and complete with every single original component, without any sign of tampering. Replaced products or components pass over to the ownership of UDOR.*

*Warranty of a product is void if the buyer fails to observe the payment terms of the product.*

*Warranty does not cover the following damages:*

- *Direct and indirect damages of any kind.*
- *Damages deriving from the failed observance of safety instructions and standards.*
- *Damages to products due to: incorrect use, dropping, incorrect installation, exposure to freezing conditions, failed maintenance, carelessness and negligence during use.*
- *Damages to parts subject to normal wear and tear.*
- *Damages to products in the case of the use of non-original parts or parts that are not explicitly approved by UDOR.*

*UDOR may add, at any time, any modifications considered necessary to improve the product without having to apply such modifications to products that have already been sold or that are ready for shipment.*

*The warranty herein is the only one valid and replaces all other forms of warranty or guarantee conditions.*

*Any controversies will be dealt with according to Italian law by the competent court of Reggio Emilia.*
